USE

**TWITTER**

10 WAYS TO USE  
TWITTER

- Tweet about upcoming due dates, assignments or news.

- Ask Questions, keep a running stream of questions going during lectures.

- Facilitate Research: Typing a keyword into the search engine, provides students with research ideas, opinions and movements as they happen.

*Social  
Media*

- **Student Collaboration:** Motivate students to use Twitter in order to work together.

- **Network with other educators:** Beyond the classroom, network with like-minded professionals with whom they can trade ideas and insights.

- Post photos/memes/GIFs, encouraging quotes.

- **Surveying Students:** Find likes/dislikes, preferences, books, etc about your students.

- **Go Live!** If you are at event and want to share go live.
